Dear Potential Business Partner,

We would like to inform you of an exciting opportunity to support local students from Kiski Area High School while reaching local and regional families with direct advertising for your business. Kiski Area Youth Network (KAYN) is hosting two fundraising events, both held here in Westmoreland County, in the coming months. Our third annual golf outing will be on Saturday August 26<sup>th</sup> and our "Turkey Trot" 5k run Thanksgiving morning, November 23<sup>rd</sup>.

These events provide support to our students including:

- Youth Center renovations with architect Lee Calisti and Kiski Alum Matt Fisher.
- A weekly evening program for students throughout the school year held at the local YMCA facility and soon to move to our new youth center.
- "Love God, Eat Pie" - our weekly after school Bible study.
- "Character coaches" for several of the high school sports teams including football and softball.
- 5<sup>th</sup> Quarter event after each home Kiski Area football game also moving to our youth center this fall.

We hope that you will consider sponsoring one or both events. Note that we are also looking for donations to be used on event days for participant hand-outs, door prizes and awards for event winners! After covering event expenses, all proceeds go directly to help students through the outreach and ministry of KAYN. As a 501(c)3 non-profit organization, all donations are tax deductible.

More information about the events and sponsorships can be found by visiting the KAYN website support page at [www.kayn.org/support](http://www.kayn.org/support).
